Professional Summary

Computer Science undergraduate (Year [X]) with [X] full-stack projects and strong DSA fundamentals in [Python/Java]. Currently studying Japanese (JLPT N5, preparing N4). Seeking a Software Engineering internship in Tokyo to contribute to [product-focused / high-scale] development and grow within the Japanese tech ecosystem.

Technical Skills

Languages: Python, Java, JavaScript, TypeScript, SQL

Frameworks: React, Node.js, FastAPI, Django

Databases: PostgreSQL, MongoDB, SQLite

Tools: Git, GitHub Actions, Docker, REST APIs

Concepts: DSA, OOP, CI/CD, Microservices (basics)

Projects

[Project 1 Name] – e.g., **Marketplace App** (Mercari-style listing)

GitHub · Live

- Built a full-stack product-listing API [FastAPI + PostgreSQL] handling [X] concurrent requests, with search and pagination
- Implemented JWT authentication and [caching], reducing [latency] by [X]%
- Deployed on [AWS/Heroku] with Docker; [X]% uptime
- Wrote [X] tests (pytest), coverage [X]%

[Project 2 Name] – e.g., **DSA Visualizer / Algorithm Platform**

GitHub

- Built a React + TypeScript visualizer for [algorithms], used by [N] students
- Documented time/space complexity for each algorithm in README (signals CS rigor, valued by Japanese recruiters)

[Project 3 Name] – e.g., **Dashboard / E-commerce**

GitHub · Live

- Built [X] with [stack], handling [loading/empty/error] states, mobile-responsive
- Added [feature], improving [metric] by [X]%

Experience

[Company / Club]

[Role]

[Month Year – Month Year]

[Location]

Education

[B.S./B.Tech Computer Science]

[University]

[Expected Graduation: Month Year]

GPA: [X.X/4.0] (if 3.0+)

- Relevant coursework: Data Structures, Algorithms, Databases, Operating Systems

Languages

- **English:** Professional working proficiency (B2/C1)
- **Japanese:** JLPT N5 (currently preparing for N4)
- **Native:** [Your language]

Certifications

Coursera, etc. – 2026

Relocation / Visa

- Willing to relocate to Tokyo/Japan for internship

Applicable: Eligible for Designated Activities internship visa / student visa
